

Asian Restaurant

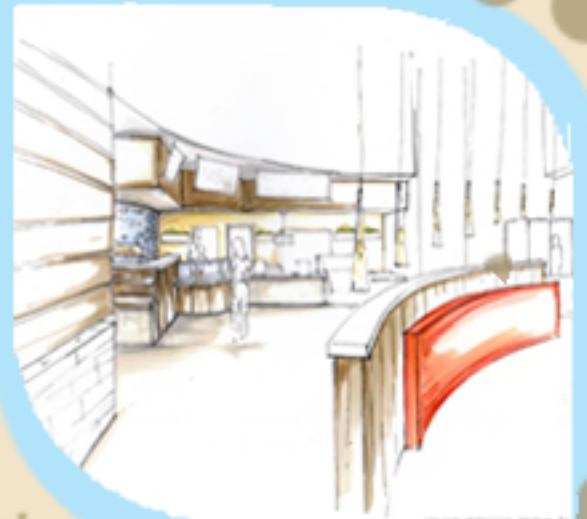

Discover creative twists on classic dishes from the Far East in our Pan-Asian concept. Watch our chefs prepare fresh sushi, create stir-fries and perfectly seasoned noodles in double barrel woks in the open kitchen. Dim Sum, Asian beverages, soups and side salads will complete the meal that can be enjoyed in the Zen-inspired restaurant furnished with a large common table and booths.

Flatbread Restaurant

Features

In the spirit of a true hearth, our flatbread sandwich and salad concept will keep things close to home with a seasonal menu made from locally sourced ingredients. Freshly prepared ingredients piled high on artisan bread will be baked in the beautifully tiled central oven. Soups, muffins, cookies and more will also be served.

Pizza Restaurant

Features

From the depth of Chicago's deep dish to the widths of New York-style slices, the new pizzeria's deck oven will bake the best pizza in town. Lasagna, pasta and side salads will also be available to enjoy in the classic pizzeria atmosphere.
